Hello Herman,

With a new year brings new opportunities. I will be moving into an exciting new role with Dropbox Business after January 20th. As such, I wanted to take this time to reach out one last time before your file is assigned to a new agent and discuss how your team's evaluation process is going.

Please respond with one of the options below so I can schedule next steps:

1. My team already signed up for Dropbox Business using this email address _____.
2. I have more questions, let's set up a call to discuss.
3. I'm still thinking about it, please check back next month.
4. I'm no longer interested in Dropbox Business due to _____.

I have also made [my calendar](#) available during this time, so please feel free to schedule a time that works for you.

Let me know if there is anything I can do to help with your evaluation. Whenever you're ready to get started, you can do so [here](#). Here's to hoping for a great start to 2017!

Thanks!
